PAWS was established in February 1997, out of desperate need for an organised animal rescue service. We soon found ourselves tackling the huge problem of neglect and abuse of Nationwide Unfortunately, every year we see more and more mistreated, distressed and abandoned animals. People like you, who care about animals, pay for all the work we do to alleviate their suffering. That's why we are now asking for your support.

From just €3.00 a week, you could help:

Rescue, neuter and re-home many abandoned and abused animals.
Any donation you can make, no matter how little, will go a long way to relieving the suffering of innocent animals.
So please send what you can.

If you donate €21 or more per month, this will further benefit PAWS by allowing us to **reclaim tax already paid by you to the Revenue.**

Hence, bumping up your donation **without costing you a penny.** Simply fill out your PPS details below.
